Thirtieth session Vienna, 20-23 June 2005

Programme and Budget Committee

Twenty-first session Vienna, 10-12 May 2005 Item 7 of the provisional agenda

SCALE OF ASSESSMENTS FOR APPORTIONMENT OF THE REGULAR BUDGET EXPENSES

Scale of assessments for the fiscal period 2006-2007

Note by the Secretariat

Proposes a scale of assessments for the fiscal period 2006-2007, based on the application of the assessment rates adopted in resolution 58/1 B by the United Nations General Assembly for the year 2006, adjusted to the membership of UNIDO.

I. SCALE OF ASSESSMENTS

- The Programme and Budget Committee is required under Article 10.4 of the Constitution to prepare the draft scale of assessments for regular budget expenditures, for submission to the Board. In accordance with Article 15.1 of the Constitution of UNIDO "Regular budget expenditures shall be borne by the Members, as apportioned in accordance with a scale of assessment established by the Conference by a twothirds majority of the Members present and voting, upon the recommendation of the Board adopted by a twothirds majority of the Members present and voting, on the basis of a draft prepared by the Programme and Budget Committee."
- Article 15.2 states that "The scale of assessments shall be based to the extent possible on the scale most recently employed by the United Nations. No Member

shall be assessed more than twenty-five per cent of the regular budget of the Organization."

- The latest available United Nations scale is the scale of assessments adopted on 23 December 2003, resolution 58/1 B, for the three-year period 2004-2006, which establishes:
- (a) A minimum assessment rate of 0.001 per cent;
- (b) A maximum assessment rate for the least developed countries of 0.01 per cent;
 - (c) A maximum assessment rate of 22 per cent.
- The General Conference at its ninth session adopted decision GC.9/Dec.10, in which it decided to establish a scale of assessments for the regular budget

For reasons of economy, this document has been printed in a limited number. Delegates are kindly requested to bring their copies of documents to meetings.

expenditures of UNIDO for the fiscal period 2002-2003 as contained in columns 5 and 6 (that is 22 per cent maximum assessment rate) of the annex to document IDB.24/5.

The application of the assessment rates adopted by the General Assembly for the years 2004-2006 (resolution 58/1 B), adjusted to the membership of UNIDO, results in a total assessment of 73.088 per cent (column 1 of annex), owing to differences in membership between the United Nations and UNIDO. To produce a scale of assessments that covers 100 per cent of regular budget expenditures of UNIDO, it is necessary to apply a mathematical coefficient to the United Nations rates for UNIDO Member States. The coefficient is not applied to the rates of United Nations Member States paying the minimum assessment of 0.001 per cent, and it ensures that the rate of least developed countries does not exceed 0.01 per cent as well as the maximum rate of any UNIDO Member State does not exceed 22 per cent. The coefficient (1.4552210935) calculation is shown below.

Calculation of coefficient (Percentage)

	United Nations rate of assessment 2006	UNIDO rate of assessment 2006-2007
Total (171 Member States)	73.088	100.000
UNIDO Member State with highest assessment	-19.468	-22.000
UNIDO Member States paying the minimum assessment (0.001 per cent x 40 States)	-0.040	-0.040
Least developed countries (0.01 per cent x 3 States)	-0.028	-0.030
Total for calculation of coefficient	53.552	77.930
Coefficient for 2006-2007: 77.93/53.552		1.4552210935

6. Column 2 of the annex to the present note shows the adjusted rates for the scale of assessments for the fiscal period 2006-2007 for States that were Members of UNIDO as of 28 February 2005, by applying the coefficient 1.4552210935, mentioned above. Column 3 shows assessment rates for 2004 and 2005, included for comparison purposes only.

New Member States

7. In accordance with financial regulation 5.6, new Members shall be assessed for the year in which they become Members at rates to be determined by the Conference. Adjustments to the scale to include any State that may become a Member between now and the closure of the eleventh session of the General Conference in accordance with Articles 3, 24 and 25 of the Constitution will be communicated to the Conference.

II. ACTION REQUIRED OF THE COMMITTEE

8. The Committee may wish to propose to the Industrial Development Board the adoption of the following draft decision:

"The Industrial Development Board:

- "(a) Takes note of document IDB.30/7-PBC.21/7;
- "(b) Recommends to the General Conference the establishment of a scale of assessments for the regular budget expenditures of UNIDO for the fiscal period 2006-2007, based on United Nations General Assembly resolution 58/1 B, adjusted to the membership of UNIDO on the understanding that new Members shall be assessed for the year in which they become Members on the basis of the United Nations scale of assessments, as applicable to UNIDO;
- "(c) Urges Member States to pay their assessed contributions for the 2006-2007 biennium in accordance with financial regulation 5.5 (b), which states that contributions and advances shall be due and payable in full within thirty days of the receipt of the communication of the Director-General, or as of the first day of the calendar year to which it relates, whichever is later;
- "(d) Calls on Member States and former Member States that are in arrears to fulfil their constitutional obligations by paying their outstanding assessed contributions in full and without conditions as soon as possible, or to take advantage of payment plans to settle their arrears, in accordance with previous decisions by the governing bodies of UNIDO."
