## GENERAL CONFERENCE

Eleventh session  
Vienna, 28 November-2 December 2005  
Item 3 of the provisional agenda

### ANNOTATED PROVISIONAL AGENDA

#### Item 1. Opening of the session

In accordance with rule 34 of the rules of procedure of the General Conference, the President of the tenth session, or, in his absence, the head of the delegation from which the President of that session was elected (Italy), will open the eleventh session of the General Conference.

#### Item 2. Election of officers<sup>1</sup>

At each regular session the Conference shall, with due regard for equitable geographical representation, elect, from among the representatives of Members, the following officers: a President and nine Vice-Presidents, as well as a Chairman for each Main Committee (rule 35). The officers elected shall constitute the General Committee.

#### Election of the President

In accordance with rule 35 and appendix A of the rules of procedure, the President of the eleventh session should be elected from the States in list D of Annex I to the Constitution.

<sup>1</sup> To ensure equitable geographical distribution in the election of officers and the elections to organs, account has to be taken of the latest lists of States to be included in Annex I to the Constitution. The list, as of the date of preparation of the present document, is the same as that included in document GC.11/14. Before proceeding to the elections, as explained in paragraph 2 of that document, the General Conference will have to decide in which of the lists of States (A, B, C or D) two Member States are to be included.

#### Election of other officers

The nine Vice-Presidents shall be elected so as to ensure the representative character of the General Committee (rule 35.3). Should the Conference decide to establish Main Committees (see item 4 below), the Conference shall also elect a Chairman for each Main Committee.

#### Item 3. Adoption of the agenda

In accordance with Article 9.4 (g) of the Constitution, the Industrial Development Board at its thirtieth session adopted the provisional agenda for the eleventh session of the General Conference, as reflected in decision IDB.30/Dec.13. The provisional agenda to be submitted to the Conference for approval is contained in document GC.11/1.

#### Item 4. Organization of work

In accordance with rule 40, the officers elected shall constitute the General Committee. The General Committee shall propose to the Conference the establishment of Main Committees and of any other sessional bodies of the Conference. It shall propose to the Conference the allocation of items between the plenary, the Main Committees and any other sessional bodies (rule 42). In the past, at each regular session the Conference established a Main Committee to which all the substantive items of the agenda were referred for a more focused debate aimed at the preparation of consensus draft decisions and resolutions for submission to the plenary. The Industrial Development Board, in decision IDB.30/Dec.13, paragraph (d), recommended

For reasons of economy, this document has been printed in a limited number. Delegates are kindly requested to bring their copies of documents to meetings.

to the Conference that items 7 to 17 and item 19 of the provisional agenda be allocated to a Main Committee.

Furthermore, in accordance with decision IDB.30/Dec.13, the President of the thirtieth session of the Industrial Development Board will conduct informal consultations for the preparation of the eleventh session of the Conference. The outcome of these consultations will be brought to the attention of the Conference.

When considering the organization of work, it should be kept in mind that the budget for the Conference in the programme and budgets of UNIDO, 2004-2005, provides only for a total of five working days, comprising plenary, Main Committee and geographical group meetings. Moreover, in its decision on preparations for the General Conference (IDB.30/Dec.13) the Board agreed to hold a forum on industrial development issues within the framework of the Conference (item 9 of the provisional agenda). The draft tentative schedule for the eleventh session of the Conference is shown in the annex to the present document.

#### **Item 5. Credentials of representatives to the Conference**

As stipulated in Article 8.1 of the Constitution of UNIDO, the Conference shall consist of representatives of all Members of the Organization. Membership in the Organization is defined in Article 3 of the Constitution. In accordance with rule 27 of the rules of procedure of the Conference, the credentials of representatives and the names and titles of the other persons constituting the Member's delegation shall be submitted to the Director-General if possible not less than one week before the opening of the session which the delegation will attend. Any later change in the composition of the delegation shall also be submitted to the Director-General. The credentials of representatives shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs of the Member concerned. A Permanent Representative to the Organization does not require special credentials if his/her letter of accreditation to the Organization specifies that he/she is authorized to represent his/her Government at sessions of the Conference, it being understood that this does not preclude that Government from accrediting another person as its representative by means of special credentials.

A Credentials Committee of nine members shall be appointed at the beginning of the Conference on the proposal of the President. Its composition shall be based on that of the Credentials Committee of the United Nations General Assembly at its sixtieth session, which is as follows: Cameroon, China, Panama, Portugal, Saint Lucia, Samoa, Sierra Leone, Russian Federation and United States of America. Since two of those States,

Samoa and the United States of America, are not members of UNIDO, States from List A and List B might wish to submit a recommendation for the replacement of those members in the UNIDO Credentials Committee. States from List C might wish to consider that Saint Lucia has not participated in any session of the General Conference, and thus a replacement of that member in the UNIDO Credentials Committee may be required. The Committee shall examine the credentials of representatives and report without delay to the Conference, which shall decide any question arising (rule 28).
