The Committee will have before it:

## **Item 3. Interim report of the External Auditor, including the implementation of recommendations of the External Auditor for the biennium 2008-2009; financial performance report and programme performance report for the biennium 2010-2011**

At its twenty-sixth session, the Board requested the External Auditor to submit each year in time for the Committee session, a short interim report on the activities carried out by the External Auditor and any recommendations resulting therefrom (IDB.26/Dec.2, para. (h) (ii)).

Furthermore, in decision IDB.38/Dec.2 on the report of the External Auditor for the period 2008-2009, the Board, inter alia, requested the Director-General to continue implementing the recommendations of the External Auditor and to report thereon to the Board at its thirty-ninth session.

Financial regulation 10.6 stipulates that, at the beginning of the second financial year of each biennium, the Director-General shall submit to the Committee an interim financial report on significant financial developments that have affected the Organization during the first calendar year of the biennium concerned.

In addition, the Committee in its conclusion 1987/19 requested the Director-General to submit each year to the Board through the Committee, a clear and detailed financial performance report itemizing the utilization of financial resources, as well as a programme performance report describing the level of programme implementation.

In light of the adoption of the International Public Sector Accounting Standards (IPSAS) by UNIDO, effective January 2010, Member States were informed of transitional auditing measures for 2010, the first year of IPSAS compliance. As reported in documents IDB.36/11, paragraphs 5 to 8, and IDB.38/5, paragraphs 31 to 33, an exceptional external audit of financial statements for the year 2010 would be necessary. Given the schedule of meetings of the policymaking organs in 2011, Member States were informed that the presentation of the annual audit report for 2010 will be transmitted to the policymaking organs as soon as practicable.

In accordance with relevant financial regulations, the financial statements will be available at 31 March 2011 by which time the external audit could start. Taking into account the time that is needed for the completion of the external audit, the first meeting of the policymaking organs at which the audit report could possibly be presented is the thirty-ninth session of the Board.

Given these scheduling and time constraints, the External Auditor has decided that as a transitional measure a combined report covering both the interim report of the External Auditor and the first IPSAS-compliant audited statements, will be issued to the thirty-ninth session of the Board. The final report of the External Auditor will also include the Director-General's observations on the implementation of the recommendations of the External Auditor.

Following Committee conclusion 1987/19, and upon recommendation of the Committee and the Board, the General Conference requested the Director-General to incorporate fully in the annual reports the programme performance report for the relevant period (GC.4/Res.2). Thus, the *Annual Report of UNIDO 2010* contains the programme performance report for 2010.

In line with the transitional auditing measures, and also as an exceptional measure, the final report of the External Auditor together with the financial performance report for the year 2010 will be issued to the thirty-ninth session of the Industrial Development Board.

The Committee will have before it:

- *Annual Report of UNIDO 2010* (including interim programme performance report for the biennium 2010-2011) (PBC.27/2-IDB.39/2)

#### **Item 4. Financial situation of UNIDO**

The report by the Director-General to the Board at its thirty-eighth session (IDB.38/7), amended through a note by the Secretariat (IDB.38/CRP.2), covered a wide range of issues within the context of the financial situation. That information will be updated in a document submitted to the present session. In addition, the Committee will be provided with a document on unutilized balances of appropriations due to Member States in 2012 (as of 31 December 2010).

Article 15.2 of the Constitution stipulates that the scale of assessments shall be based to the extent possible on the scale most recently employed by the United Nations.
