That information will be updated in a document submitted to the present session.

The Committee will thus have before it:

- Financial situation of UNIDO. Report by the Director General (PBC.29/4-IDB.41/4)

### **Item 5. Programme and budgets, 2014-2015**

In accordance with Articles 14.1 and 14.2 of the Constitution, the Director General shall prepare and submit to the Board through the Committee, a draft programme of work for the following fiscal period, together with the corresponding estimates for those activities to be financed from the regular budget. At the fortieth session of the Industrial Development Board, some Member States suggested that discussions on the proposal to introduce digital records should be part of the consideration of the programme and budgets, 2014-2015. Such a proposal was made by the Secretariat (IDB.40/25) with a view to achieving economies.

The Committee will have before it:

- Programme and budgets, 2014-2015. Proposals of the Director General (PBC.29/5-IDB.41/5)

The General Conference at its fifteenth session will need to establish a scale of assessments for the years 2014 and 2015. In accordance with Article 10.4 (b) of the Constitution, the Committee shall prepare the draft scale of assessments for regular budget expenditures, for submission to the Board. Article 15.2 of the Constitution stipulates that the scale of assessments shall be based to the extent possible on the scale most recently employed by the United Nations. In accordance with financial regulation 5.4 paragraph (a), the Committee should recommend to the Board the amount and purposes of the Working Capital Fund for the biennium 2014-2015. At its fourteenth session, the General Conference decided (GC.14/Dec.15) that the level of the Working Capital Fund for the biennium 2012-2013 should remain at €7,423,030 and that the authorized purposes of the Fund for the biennium 2012-2013 should remain the same as for the biennium 2010-2011, i.e. as stipulated in decision GC.2/Dec.27, paragraph (b).

With the same decision, the General Conference requested the Director General to submit on a quadrennial basis, from 2013 onwards, to the Board in the second year of a biennium, through the Programme and Budget

Committee, a draft medium-term programme framework for the four years that follow the current biennium, taking into account the recommendations of the latest comprehensive policy review of operational activities for development. As the consultations of the informal working group on the future, including programmes and resources, of UNIDO are still ongoing, the Director General, at a meeting of the Enlarged Bureau of the Committee on 5 November 2012, proposed that the adjusted MTPF 2010-2013 be extended until 2015.

The Committee will thus have before it:

- Proposal by the Director General regarding the medium-term programme framework (PBC.29/8-IDB.41/8)

In line with decision IDB.38/Dec.4, Member States were regularly briefed on the developments regarding PCOR. The most recent update was provided in a report issued to the fortieth session of the Industrial Development Board (IDB.40/5) as well as a note by the Secretariat (IDB.40/CRP.4). The Committee will be apprised of the main developments that have taken place since then.

Also in relation to the two dedicated trust funds, the Committee will be informed of the most recent developments, thereby updating the reports on the trust fund on food security (IDB.40/6\*) and the trust fund on renewable energy (IDB.40/7).

In addition, the fourteenth session of the General Conference encouraged Member States to consider voluntarily renouncing their shares of unutilized balances to strengthen UNIDO programmes (GC.14/Dec.14). The Director General will report through the Committee to the forty-first session of the Board on the implementation of the same decision, including the establishment of a trust fund for Latin America and the Caribbean, as well as further contributions received from Member States through voluntarily renouncing their shares of unutilized balances that were due in 2013, to strengthen UNIDO programmes.

Hence, this decision affected the schedule of sessions of the policymaking organs, and as a result, further amendments to the financial regulations, in particular as they relate to reporting deadlines of the External Auditor, will become necessary. The proposed amendments to the Financial Regulations of UNIDO (PBC.28/CRP.2) will be presented through the Programme and Budget Committee and the Industrial Development Board for approval by the fifteenth session of the General Conference in 2013.
